2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

MISSION

We at Cunningham Elementary School will ensure ALL students learn at high levels in a safe and supportive environment.

VISION

Cunningham Elementary School students will thrive academically, socially, and emotionally as they advance in their educational career.

The Cunningham faculty and staff embrace the district initiatives which include a strong focus on student achievement, college and career education, character development, and technology-embedded instruction within a safe and secure learning environment. Beginning with the 2017 school year, Cunningham has initiated a school wide focus of Agriculture Science. Students will be actively involved in learning about the science and careers associated with our agriculture community.

Cunningham School has students in preschool through sixth grade. Our students participate in various educational programs including: preformal Autism SDC, school-aged Autism SDC, mild/moderate SDC, GATE (4th - 6th), and general education.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

An assessment was done in September 2021 using the Facility Inspection Tool (FIT), Cunningham Elementary is currently a Williams School; as such this inspection was completed by SCOE representative John Cicinato. The school buildings and grounds of Cunningham School have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges and all visitors check in and out at the school office. Cleanliness: Cunningham employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities on a daily basis. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Cunningham School was modernized between 2011 & 2013 which included many campus wide upgrades as well as interior remodel of approximately 20 classrooms and student restrooms. In 2019 the site received new fencing along the front of the school to enhance safety and security as well as create a single point of entry. Maintenance improvement projects continue to be done on this campus, including concrete, asphalt and landscaping. Cunningham school is in very good condition considering its age. Adequacy: The Turlock Unified School District prides itself in offering clean, safe and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated September 2021 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are many opportunities for parent involvement to help us maintain a positive, productive and safe learning environment for every student.

Cunningham Elementary School offers a variety of activities including PTA sponsored activities such as movie nights, Cookies with Santa, Spring Carnival and other events. Parents also participate in: Open House, Family Academic Nights, School Site Council, English Language Advisory Council, Coffee with the Principal, Principal Meetings, Back to School Night, Golden Eagle Awards, student performances, student study trips, School Safety Committee and as classroom volunteers. The Latino Family Literacy Project will be offered to support parent learning. To further support parent education, English as a Second Language classes are offered via Zoom through our adult school. Our school counselor and clinician offer parent support and education through meetings, phone calls, and webinars.

Parent education related to COVID-19 and school safety is offered regularly by our health office staff members, our community liaison, and site administrators. All communications are offered in both English and Spanish.

Our site solicits parent input through surveys shared related to student and school site needs. Site administration utilizes BB Comms to share out school information via phone call, text message, and email. Classroom teachers utilize communication applications (e.g., Class Dojo, Remind, etc.) to connect with families regularly. Site administrators and staff are readily available before school and after school to connect with families in person to discuss student needs as well as suggestions for site improvements. The school's community liaison works with school community members (e.g., parents, grandparents, guardians) to identify specific needs and to connect them with resources from our site counselor, clinician, and community resources. Our site's social media accounts on Facebook, Instagram, and Twitter are available for community members to follow and receive information.

For more information please contact the school office at (209) 667-0794 or visit our website at <https://www.turlock.k12.ca.us/Page/13>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Key Elements of the Comprehensive School Safety Plan: In the Turlock Unified School District, components satisfying each of the following items have been developed and are included in the Comprehensive School Safety Plan, when approved by each site council. These components were approved by the site council on March 03, 2021.

- 1) Disaster procedures, routine and emergency
- 2) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27
- 3) Procedures to notify teachers of dangerous pupils pursuant to Section 49070
- 4) A sexual harassment policy, pursuant to subdivision (b) of Section 212.6
- 5) The provisions of any school-wide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel" if the school has adopted a dress code. For these purposes, the safety plan defines "gang-related apparel"
- 6) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school
- 7) A safe and orderly environment conducive to learning at school
- 8) The rules and procedures on school discipline adopted pursuant to Sections 35391 and 35291.5

2020-21 Types of Services Funded

Cunningham School offers a variety of programs and services to support students in order to increase student achievement, enrich their educational experiences through lessons that incorporate agriculture science, and prepare them for their college and career plans. In addition, Cunningham Elementary has a Gifted and Talented program for students in grades fourth through sixth grades.

Cunningham not only provides enriching educational opportunities for all students, but each grade level also offers both an intervention block and English Language Development groups to ensure students receive instructional support according to their needs. With the assistance of site support staff, teachers are able to meet with small groups of students in order to implement intense intervention strategies. Cunningham staff and students are also supported by one Title I- funded Early Literacy Instructional Coach who provides reading intervention services to students in need of extra support in grades K-2. Cunningham's Reading Specialist provides supplemental reading support to students in grades 3-6. To further assist students, many teachers offer before or after school tutoring to assist their students who are struggling in such areas of mathematics and language arts. Students identified as English learners in grades 1 and 2 receive supplemental designated ELD support from our site's EL Paraprofessional. Other opportunities that are available to students who are below grade level include use of online educational applications to support specific academic and language needs (e.g., Lexia Reading, Lexia English, STMath). The After School Education and Safety Program (ASES) provides ninety Cunningham students with tutoring and enrichment opportunities.

Professional Development

Professional Development

The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include social-emotional learning, equity, subject matter, English language development, technology, best practices, PLC's, and leadership. TUSD's initiatives and staff input continue to drive the professional development offerings.

Due to the COVID-19 pandemic, the District offered virtual PD for teachers. PD formats for teachers were made available in the following ways: live on Zoom, webinars, video recordings, podcasts, and newsletter releases. Topics included: trauma informed strategies, Amplify Science, number talks, culturally responsive teaching, math intervention, reading intervention, and reciprocal teaching.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration at site determined periods throughout the school year. The collaboration time allows teachers to apply new learning and make strategic decisions regarding the use of curriculum and assessments. Year one and year two teachers are enrolled in TUSD's Induction Program. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching. New administrators are supported through their participation in the Stanislaus County Office of Education Administrator Induction Program.

There are several formal Special Education administrative and teacher trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school’s local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs’ federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
