### School Description

Our school is a beautifully designed campus. It is named after Dennis G. Earl, a former Trustee of the Turlock Joint Elementary School Board, who died in 1985. It is designed to be a community-oriented campus where families enjoy recreational activities after school hours and on the weekends. Our multipurpose room is used extensively for a variety of community functions during the evenings and weekends. We have a closed circuit television program that broadcasts to every classroom each morning with the daily bulletin. We call this "Explorer vision".

There are three significant student populations according to our CBEDS information; English Learners, Hispanic and those students that are Socio-Economically Disadvantaged. According to our Language Census, there are 12 different languages spoken by our students. About 25% of Earl's student population are English Language Learners and about 42% are Hispanic. As a result, we have a rich cultural and linguistic diversity in our school community.

Earl's teachers continue to seek more effective ways to differentiate their curriculum and provide appropriate academic support for each individual child. At our monthly faculty, leadership and Professional Learning Community collaborative team meetings, teachers regularly discuss summative and formative assessment data, develop rubrics to measure student work, and plan intervention and enrichment supports to better meet the learning needs of the students. Teachers also enlist the support of our district Instructional Coaches to observe lessons and provide feedback on how to improve their lesson delivery. We have an English Language Development teacher on campus who provide strategic, intensive small group and one-on-one instruction to targeted students in reading and English language development.

In a typical school year, we also maintain a close working relationship with our local University, California State University Stanislaus, by hosting a number of student teachers each year in our TK-6 classrooms and several university methodology classes are taught on campus with the University students providing additional instructional and intervention support to our Earl students.

Earl School is proud to recognize and celebrate students' academic and social accomplishments. Our monthly Excellent Explorer Assemblies highlight students for a variety of personal strengths based on the character traits found in our Character Counts Program, such as respect and responsibility. This year, we have recognized those students through our virtual announcements. We also honor two Rotary Club Students of the month throughout the year. Children that are "caught in the act of doing something good" are also recognized.

All students in grades 1-6 receive music instruction each week and our fifth and sixth grade students are encouraged to participate in our choir, band and orchestra music programs. In year's past, an after school play program, operated by the City of Turlock Recreation Department, is available to all children and is located in our multipurpose room. The program provides help for students with homework, activities, and a safe place for students to stay after school.

We have a dedicated and caring group of parents and volunteers. These wonderful people give countless hours of their time and attend School Site Council, English Language Advisory Committee, and PTA functions. The PTA supports teachers and programs throughout the school. They host different fundraisers throughout the year. All of these are aimed at raising funds to support student field trips and additional school projects. We appreciate our parents' commitment to our school and to their children's education.

We believe in the Turlock Unified Mission Statement which reads: The mission of the Turlock Unified School District, a premier progressive educational system, is to ensure all students graduate as self-motivated, responsible citizens equipped to compete successfully in an ever changing global society by delivering effective instruction that engages all students to reach their individual potential and highest achievements within a safe and caring student-centered environment in partnership with our families and diverse community.

The vision of Dennis G. Earl Elementary School is; we believe all Explorers will achieve at high levels within a safe, supportive, compassionate, and collaborative community.

Earl's Motto: Earl Students are: Excellent Students, Awesome Citizens, Readers, and Learners for life!

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

An assessment was done in November 2020 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in 'good repair'. The school buildings and grounds of Dennis Earl Elementary have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges and all visitors check in and out at the school office. In the summer of 2017 Dennis Earl received new fencing around the entire campus which directs all visitors to check in through a single access point in the office after the first bell rings. Cleanliness: Dennis Earl Elementary employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities on a daily basis. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Dennis Earl Elementary was constructed in 1997. A Security Fencing project was completed in the summer of 2017. Adequacy: The Turlock Unified School District prides itself in offering clean, safe and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated November 2020 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

This school year, we had four parent trainings on the safe reopening of schools. Parent input was also received via district surveys related to the reopening of schools. These meetings have been virtual this year. Those parents interested in any of the above mentioned parent involvement activities are encouraged to contact the Earl School office at (209) 634-1090 for additional information.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	3

The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, digital citizenship, best practices, PLC's and leadership. Multiple measures including CAASPP results, CELDT achievement data, common formative assessments, and data from site educational rounds were utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration at site determined periods throughout the school year. The collaboration time allows teachers to apply new learning and make strategic decisions regarding the use of curriculum and assessments. Year one and year two teachers are enrolled in TUSD's Induction Program which is in the second year of implementation. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching. New administrators are supported through their participation in the Stanislaus County Office of Education Administrator Induction Program.

Professional development and support has been provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Special Education; Instructional Best Practices; Guided Language Acquisition and Design (GLAD); Advanced Placement; Technology; Digital Citizenship, Small Group Instruction; and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has a network of nineteen content specialist instructional coaches that are utilized to support staff in classroom implementation as a follow up to all professional development events.

There are several formal Special Education administrative and teacher trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

Due to COVID 19 in the 2019-2020 school year, the District offered virtual PD for teachers.
