### School Description

The mission of Julien Elementary School is to ensure ALL STUDENTS develop a strong academic foundation and essential social skills to become responsible citizens. Julien Elementary School was established in 1954 and named after Eric Julien and Albert Julien, two brothers who were prominent doctors in Turlock in the 1950s. Julien Elementary School is a Professional Learning Community that strives to ensure academic and social excellence for all of our students. We accomplish this through effective instruction of essential standards within every classroom, frequent and ongoing assessments, and regular collaboration by our grade level teams. Collaborative teams meet regularly to identify essential standards and skills, create common formative assessments, analyze data, and develop interventions and enrichments based upon students' proficiency of essential standards. We provide an outstanding educational environment through positive behavior supports that encourage strong character traits and citizenship. We also focus upon 21st Century learning and educational technology within our instruction, and provide the resources and skills for our students to be successful in their academic futures and careers. We have a variety of activities that students participate in which highlight College and Career Readiness (e.g. Lego Robotics, Math Blast, Science Olympiad, School Garden, Spelling Bee, Walk-through History, NGSS, Engineering and Design, and weekly visits to the science lab). We continue to focus upon our school theme, Engineering and Design, where students are taught the Engineering and Design process as they work with peers to design and solve problems. Julien's Elementary's population is 788 students, 40 of whom are attending via the Hybrid Learning Model. We offer Transitional Kindergarten – 6th grade, 4th – 6th grade GATE, the Pod, which is an open classroom consisting of kindergarten through third grade, resource, speech and language therapy, three Moderate to Severe special day classes, and one Generalized Autism class for kindergarten through second grade students. Students are currently taught in one of three learning models, including Blended, Distance, and Hybrid during the COVID-19 pandemic.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

An assessment was done in November 2020 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in 'good repair'. The school buildings and grounds of Julien Elementary have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Our Williams Act visit had minor violations that have all been rectified. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. All Certificated and Classified staffs wear identification badges and are vigilant in maintaining student safety. Visitors and volunteers check in and out at the school office and wear tags that identify their visit. Cleanliness: Julien School employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities on a daily basis. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Julien Elementary completed a \$7 Million dollar modernization project in August 2014. This campus received many interior and exterior upgrades including a new parking lot/student drop off and playground facilities. Adequacy: The Turlock Unified School District prides itself in offering clean, safe and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated November 2020 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: November 2020

<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	49	N/A	45	N/A	50	N/A
Math	38	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

Julien has a variety of groups and organizations to foster our partnership with our families and the larger community. These groups include the following: School Site Council (SSC), English Learner Advisory Committee (Site ELAC), District English Learner Advisory Committee (DELAC), Superintendent's Advisory Council, Principal's Forum, Gifted and Talented Education (GATE) program and a very active Parent Teacher Association (PTA). Our PTA regularly sponsors a variety of activities to support families, though such activities have been limited this year due to the pandemic. This year we held several virtual parent information meetings for families regarding COVID safety protocols prior to students returning to campus. For more information please call the school office at (209) 667-0891.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

Key Elements of the Comprehensive School Safety Plan: In the Turlock Unified School District, components satisfying each of the following items have been developed and are included in the Comprehensive School Safety Plan, when approved by each site council. These components were approved by the site on March 10, 2020.

- 1) Disaster procedures, routine and emergency
- 2) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27
- 3) Procedures to notify teachers of dangerous pupils pursuant to Section 49070
- 4) A sexual harassment policy, pursuant to subdivision (b) of Section 212.6
- 5) The provisions of any school-wide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel" if the school has adopted a dress code. For these purposes, the safety plan defines "gang-related apparel"
- 6) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school
- 7) A safe and orderly environment conducive to learning at school
- 8) The rules and procedures on school discipline adopted pursuant to Sections 35391 and 35291.5
- 9) Assessment of the current status of school crime committed on school campuses and at school related functions
- 10) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Title 1 of Part 4 of the Penal Code

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.2	1.1	5.6	5.2	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	0

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Student Support Services Staff (School Year 2019-2020)

Title	Number of Full-Time Equivalent (FTE)
Psychologist	1
Speech/Language/Hearing Specialist	1

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	3

The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, digital citizenship, best practices, PLC's and leadership. Multiple measures including CAASPP results, CELDT achievement data, common formative assessments, and data from site educational rounds were utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration at site determined periods throughout the school year. The collaboration time allows teachers to apply new learning and make strategic decisions regarding the use of curriculum and assessments. Year one and year two teachers are enrolled in TUSD's Induction Program which is in the second year of implementation. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching. New administrators are supported through their participation in the Stanislaus County Office of Education Administrator Induction Program.

Professional development and support has been provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Special Education; Instructional Best Practices; Guided Language Acquisition and Design (GLAD); Advanced Placement; Technology; Digital Citizenship, Small Group Instruction; and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has a network of nineteen content specialist instructional coaches that are utilized to support staff in classroom implementation as a follow up to all professional development events.

There are several formal Special Education administrative and teacher trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

Due to COVID 19 in the 2019-2020 school year, the District offered virtual PD for teachers. PD formats for teachers were made available in the following ways: Live on Zoom, Video Recordings, Podcasts, Slide Shows, Video Shorts (short videos), Weekly Newsletter Releases/ EdTech Bytes, and Instagram Tech Bytes. PD topics included: Distance Learning Tips, Blended Learning Tips, Google Classroom navigation, Zoom features, Screencastify, assembling Bitmoji classroom, engaging students online, supporting students during distance learning and blended learning, navigating a chromebook. A PD schedule was posted on the EdTech in TUSD website.

These include: Tier 1 instruction to engage students in essential skills and standards, Tier 2 to support extended time for students to access the essential standards, Tier 3 small group/one-on-one instruction based on students' proficiency levels, student success meetings, achievement block for intervention/enrichment for all students, GATE classes, English Language Development support in the classroom, tutoring (by teachers), summer school, Student Support Clinicians, Jessica's House, Tree House, Art From the Heart, and professional development and coaching.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
